

7 Day Trial v2 HANDOFF

Trial funnel on the capped trial-credit model · presentations.ai · Designer: Mani · 26 Jun 2026

Credit model

Plan	Trial credits (day 0-7)	Full credits (after day 7 / activate)	Annual price
Pro (individual)	500	5,000	\$240
Gold (individual)	1,000	50,000	\$1,200
Pro Team	direct buy	15,000 pool	\$648/yr
Gold Team	direct buy	150,000 pool	\$3,240/yr

How it works

- Trial grants capped credits after the card is added (Pro 500, Gold 1,000).
- Trial credits exhausted mid-trial: charge immediately (card on file).
- Not cancelled before day 7: auto-charge at trial end.
- After day 7, or on early activate, full plan credits unlock.
- Individual plans are annual only. Teams are direct buy (no trial), shared credit pool, unlimited seats.
